CATHERINE ZETA-JONES

Leggings

Zeta-Jones adds definition with Sassybax, like these seamless Sassy Shaper leggings, which sculpt, round and trim the lower half of the body. A knit-in support system lifts and separates the derriere (sizes S–XL). (\$68, sassybax.com)

BUYING TIPS

Get the right size “Don’t buy up or down in bras and shapers,” says Sassybax’s designer and founder Amanda Kennedy. “Smaller isn’t slimming and larger isn’t more comfortable. A poor fit can cause unsightly bulges.”
